

# Further Support

---

There are several options available for support if you are unable to resolve your issue using our documentation.

## **Ticket Support**

You can submit a ticket by going to Settings -> Contact Us while logged in to your account. You can also reach ticket support by emailing [tech@wizmailer.com](mailto:tech@wizmailer.com) . Be sure to include a full description of your issue as well as any relevant error messages. If you are having problems with webmail, please let us know what browser and browser version you are using (Help -> About to check). If you are using an IMAP or POP3 client, please let us know what mail client you are using.
